

Create a Tiger Mask

Become a fierce Amur Tiger with this tiger mask!

What you need:

- A Paper plate or construction paper
- Coloring utensils
- String
- Scissors

Directions: Watch our [Facebook live video](#) about tigers and get inspired. Next collect your supplies. Start out by cutting out two eye holes in your mask. Color your mask to look just like a tiger. Punch two holes on either side then connect the string to the appropriate size to fit. Now play pretend! Become a tiger by hunting, playing, swimming and running!
