

Draw a Bird

Get inspired by the many colors and shapes of birds in our aviary! Use whatever you have around your home to make some bird inspired art.

What you need:

- Any art supplies!

Directions: After watching our [facebook live video](#) with Loro the blue and gold macaw, make some observations about his colorful body and unique shape then make some art! Use whatever medium you like: colored pencils on paper, chalk drawings outside, sculptures with playdough, sparkly pictures with craft feathers, colored paper mosaics, the opportunities are endless! Be sure to share your pictures with us by taking a photo and tagging us @henryvilaszoo #zooathome

Concepts:

- Jobs- crafting, creating
- Fine motor skills- gluing, coloring
- Imagination- freeform art time

What to say:

- What materials should we use?
- What observations do you have about Loro
 - o How can we add that to our art?
- What colors should we use?

Want an extra challenge?

Try your hand at some origami art! Get a 8.5x11 piece of paper and follow along with this video to make your own [origami parrot \(instructions\)](#).
